To many his death brought a deep sense of personal loss. He was in Toronto the early part of the week, returning home on the noon train yesterday. While in the city he underwent a medical examination which was very satisfactory. The late Mr. Elliott was so much alive, so keen and forceful and with the capacity for doing so many things well that it is hard to realize his career has ended just when he seemed at his best.

For the past few years, Mr. Elliott had been General-Manager of Deloro Smelting & Refining Company Limited. He had been Chairman of the Deloro Safety Committee since its inception over nineteen years ago. He was also Reeve of Deloro Village and a member of Hastings County Council. For years he took a great interest in sport and for some time was a member of the executive of the Ontario. Baseball Amateur Association. He was also a Past President of the Canadian Mining Institute. Fraternally he was a member of the Masonic Order, Madoc Chapter, Belleville Preceptory and Ramesis Shrine, Toronto. For years he was active in Conservative circles and more than once had been requested to become a candidate for the Federal or Provincial Parliaments but would not accept. In religion he was a member of the United Church.

The late R. A. Elliott is survived by his wife, one son, Robert, who is with a mining firm in East-Africa and two daughters, Mary, in the Air Force, at present stationed in British Columbia and Jean at home.
