**Two Brothers Killed**  
**ALVIN AND BENJAMIN ARCHIBELL \***  
**Dead as Result of Auto Crash**

The worst automobile accident in the history of this district occurred on Tuesday evening on the Stirling Road opposite lot 12 in the 13th concession of Rawdon, when Benjamin Archibell was instantly killed and his brother Alvin was so badly injured that he died a few hours later in Belleville Hospital. A wrist watch, which the former was wearing, stopped at 9.04, which was the time the accident occurred.

Constable Gillen has carried a warrant for the arrest of Benjamin Archibell for a week or two. The warrant was for a charge of assault laid by Mr. Baker, who lives west of the Village. Constable Gillen and County Constable Lavender noticed the accused drive onto Forsythe street with his brother. They immediately secured a car and started in pursuit. After driving around a couple of streets Archibell started south on the Stirling road with the constables following. They overtook him just south of Mr. Jas. McInroy's and both cars almost came to a stop. Mr. Gillen started to get out of the car, but slipped and almost fell. Just then Ben Archibell, who was driving, apparently saw who it was and started his car so quickly that it left the road and almost ran into the fence on the West side of the road.

It is a wonder an accident did not occur then, but the car swung back on to the road and started south at a very high speed. The constables followed, but soon dropped far behind. South of the home of Mr. John Brown, Sr., the fleeing car met a load of hay driven by Geo. Wellman, Jr. The load was well to the side of the road, but the car turned out too far and left the road. While the road is wide and in almost perfect condition at that point a number of large stones had been placed in the ditch. The end of a galvanized culvert also extended into the ditch. When the brakes were applied the car slid for some distance, but the speed was so great the driver apparently lost control. The car raced over the stones and culvert and then crashed sideways into a tree. Every wheel was smashed and the chassis, body and top damaged beyond repair.

Apparently the driver was hurled head first against the tree, causing a hemorrhage of both ears, both nostrils and the mouth, and killing him instantly. His brother Alvin also appeared to have been thrown against the tree, his head being crushed. Both were thrown through the door of the car the latter lying with his feet in the car and his body on the ground.

Coroner Dr. Harper, of Madoc, was immediately notified and was soon over. Alvin, who was still living, was rushed to Belleville hospital where he died about 1.30 a.m. Benjamin's body was brought to the village and placed in the Council Chamber.

Yesterday morning a jury was empanelled composed of the following: Geo. Wellman, Philip Sopha, Chas. Lummiss, Thos. Potts, David Mc-Garvey, Jesse Barlow, T. J. Byrnes and H. W. Sabine. On motion of Messrs. Wellman and Barlow H. W. Sabine was elected foreman. After viewing the body of Benjamin Archibell the jury went down to look over the scene of the accident. The inquest has been adjourned until next Wednesday, Aug. 28th at 2 p.m.

The deceased were sons of Mr and Mrs. Jacob Archibell. Alvin was 35 years of age. For some time he has been residing in Detroit, where he engaged in his trade as a carpenter. Previous to that he lived in Oshawa.

Benjamin was 26 years of age. He had resided in Marmora most of his life. Besides their parents they are survived by one sister, Mrs. Geo. Johnston, of Marmora Twp, and one brother, Ernest, of Trenton.
