# GEORGE RICE, R.C.A.F. VETERAN, AND CHUM KILLED IN MOTOR ACCIDENT

One of the most shocking accidents in the history of Marmora, occurred about nine o'clock Saturday evening, as a result of which George Richard Rice, son of Mr. and Mrs. J. A. Rice, and a war time chum, Edward J. Flynn, lost their lives. The accident occurred on the hill on No. 7 highway, a short distance west of the bridge where the old Havelock road branches off.

George Rice and three other buddies of the R.C.A.F. were enjoying a week end visit at Crowe Lake at the home of his parents, Mr. and Mrs. J. A. Rice. All had started for the village, George and Flynn riding the former's motor cycle, while Mr. and Mrs. Rice and the other two followed in Mr. Rice's auto. As the motorcycle came down the hill, following a car, Mr. Gilbert Steenburgh was proceeding up the hill on a business trip to a home on the old road. He stopped to let a car pass and then turned left, not seeing the motorcycle, which was obscured by the car, until it was too late. George Rice who was driving the motorcycle tried to pass between the car and the guard rails at the side of the road, but just missed by a few inches. The cycle struck the left front fender of Steenburgh's car with a very heavy impact crushing it and knocking off the left headlight and the left front wheel. The bodies of both boys were hurled through the air striking the guard posts and wires. Edward Flynn was instantly killed and George Rice died in less than an hour.

A few minutes after the accident Dr. H. Crawford and Constable Lavender reached the scene of the tragedy. F. N. Marett & Co's ambulance was summoned and George, accompanied by his mother and Dr. Crawford, started for Belleville General Hospital, followed by Mr. Rice in his auto, but he passed away before the hospital was reached.

C. H. Hatch, Provincial Constable, and Dr. S. Eagleson, of Madoc, a coroner for the County of Hastings, were promptly notified and soon reached the scene of the accident. After a preliminary examination the coroner ordered the removal of the body of Flynn to F. N. Marett & Co's undertaking rooms. The Provincial officer decided the collision was entirely accidental and unless some new evidence is brought out at the inquest no blame is attached to anyone.

George R. Rice was 22 years of age, was born in Marmora and spent all his life here until he enlisted in the R.C.A.F. early in the war. A boy of exemplary character he was very popular with young and old alike and was held in high esteem. In High school he was a fine student, admired by his teachers and popular with other students in the school.

After enlisting in the R.C.A.F. and training in Canada he was sent overseas for further training in England. He then served in North Africa and other parts of that continent and later in Italy in a special branch of the R.C.A.F.

His closest friend during the war years was Edward Flynn. They trained together, went overseas together, served in the same war areas and returned together, both escaping without injury. In recent months they had been rooming in the same house on Beatty Ave., Toronto. For both death came in the same tragic accident.

Besides his grief stricken parents George is survived by two sisters Mrs. Dandy (Evelyn) and Mrs. Fobert (Kathaleen), both of Toronto. The sympathy of the whole community goes out to the family in their bereavement. An older brother, James lost his life about fifteen years ago as a result of the accidental discharge of a shot gun while duck hunting, which makes this tragely seem all the harder to bear.

The funeral was held on Tuesday afternoon under the auspices of Marmora Branch No 237 Canadian Legion and was a very impressive one. Proceeding from the summer home of Mr. and Mrs. Rice at Crowe Lake the cortege was met at the Memorial building by a detachment of the R.C.A.F. from Trenton Airport, under the command of Fl. Lieut. Hook and a large number of veterans of World War I and II, who marched ahead of the hearse to St. Paul's Anglican Church. The funeral service was conducted by Rev. J. M. Brownlie, rector, who also conducted the burial service at the graveside.

The R.C.A.F. men and veterans also marched to the cemetery and after Rev. Mr. Brownlie had completed his part of the service, the Canadian Legion service was conducted by President Wilbert Mumby and veterans dropped a poppy in the grave and saluted. The last post and Reveille were impressively sounded by L.A.C. Beaudra a bugler of the R.C.A.F. A photographer from the R.C.A.F. also took a number of pictures. The pallbearers were Sergt. Don Prentice, of the R.C.A.F. and veterans of the last war Ted Gazeley, Robt. Gray, Bill Prentice, David Crawford and Gler Lavender.

Instructions were received by F. N. Marett & Co. to ship the body of Ed J. Flynn to Toronto where the funeral will take place. It is reported that his mother, who resides in England will reach Toronto by airplane for the obsequies.

Last Sunday morning a memorial service was held in St. Paul's church for the late George R. Rice. The rector, Rev. J. M. Beautiful flowers on the altar were in memory of George Rice and his brother James, who died in 1931, and the late Rev. A. B. Caldwell, former rector of the parish, who passed away at Gananoque a year ago.

## The Coroner's Jury Attaches No Blame To Anyone

The inquest in connection with the death of the late George Rice and Edward Flynn, who died as the result of an accident on No 7 Highway just West of the bridge on the evening of Saturday, July 27th, was held in the town hall yesterday afternoon. Coroner Dr. Eagleson, of Madoc, presided and County Crown Attorney B. C. Donnan, K. C., of Belleville, conducted the investigation. Miss Mary Lloyd, of Belleville was stenographer and Constable W. D. Lavender carried out the police duties in connection with the inquest.

The following composed the jury and gave their verdict after hearing the evidence: Vincent Lynch, foreman, Wm. Regan, Don Robertson, Gordon Jarvis and Wm. Shannon.

Seven witnesses in all were called in the following order: Dr. Hamilton Crawford, Prov. Officer J. H. Hatch, F. R. Wells, Jas. A. Rice, Jack Williams, Vernon Morgan and Gilbert Steenburgh. Williams and Morgan are the chums of the deceased who were with Mr. and Mrs. Rice in their car and witnessed the accident. Messrs. Rice, Williams, Morgan and Steenburgh were eye witnesses of the tragedy and quietly told how it occurred. Members of the jury, through the Crown Attorney, asked the witnesses quite a number of questions to have the whole picture before them in arriving at their verdict.

The verdict attached no blame to anyone and after the usual opening form was as follows:

"That Edward Flynn died at the village of Marmora on the 27th day of July, 1946, and George Rice died in an ambulance, while proceeding from the village of Marmora to the city of Belleville; both deaths being the result of personal injuries sustained when a motorcycle, driven by George Rice, upon which Edward Flynn was a passenger, collided with a motor car driven by Gilbert Steenburgh on highway No 7, in the village of Marmora in the County of Hastings."

### MISS SUSIE FLYNN.

A shocking accident occurred on Tuesday afternoon as a result of which Miss Susie Flynn lost her life. She was alone at her home at the time and was doing a washing. Owing to the pump not working the water was drawn from the cistern through a trap door in the floor. After drawing water she had apparently left the trap door open and in carrying on her work in some way had stepped back, falling into the cistern. It appears that in falling she tried to catch a chair, as a chair was knocked over near the opening to the cistern. The water in the cistern was only about four feet deep, but the walls of the cistern were about seven feet high, so that it was impossible to get out without assistance and there was no one at home. Evidently Miss Flynn lived for some time at least after falling in the water as her hands and knees were bruised and torn by the desperate efforts she had made to escape.

Her aged mother, who lived with her, had gone for the day to the home of her son Edward, who was ill, and her brother John, for whom she kept house, was driving the mail route that day for Edward, owing to the latter's illness. On his way round he stopped at the house and discovered the tragedy. Relatives and friends were at once notified and also the Coroner, Dr. Harper, of Madoc. After visiting the scene of the accident, and learning the particulars as nearly as they could be determined, the Coroner decided an inquest was unnecessary.

The deceased was a daughter of the late David Flynn and Mrs. Flynn. Besides her aged mother, who is seventy-eight years old, she is survived by six brothers and four sisters. They are David and James Flynn, of Deloraine, Man.; Patrick, of Seymour township; William, of Marmora; John and Edward, of Marmora township; Mrs. John Sullivan and Mrs. John McCullough, of Marmora, Mrs. Alphonse Madden, of Peterboro, and Mrs. Harry Warren, of Marmora township.

The sympathy of the whole community will go out to the bereaved family in their trouble. A large number of friends will also deeply regret the passing of one who was esteemed for her ready sympathy and many admirable qualities.

### ALPHONSE MADDEN

Death came suddenly to Alphonse Madden, sixty-three year old Peterborough contractor, at Tweed on Tuesday of last week. He had also done some fine work locally for private individuals. His friendliness and genial manner won him many friends and he was widely known and highly esteemed throughout the district.

The late Alphonse Madden was born in Perth, but had lived in Peterborough most of his life. He was married to Elizabeth Flynn, a former Marmora girl, who survives him. He is also survived by one son and two daughters.

## LICENSE BOARD GRANTS LICENSES

Shop Licenses Cut off and a Number of  
Hotels Granted Only Three  
Months Permits.

The matter of the cutting off of the license of Mr. Wm. Flynn also came before the Board. It was felt by every member of the Council that as Mr. Flynn had only taken this business over about a year ago, paying a considerable sum for the good will of same, and has so far received comparatively small profits it was a hardship thus taking his license on such short notice. It seemed particularly unfair from the fact that there has been no complaints from any of the citizens of the village, while in Madoc, where there have been pregnant complaints in regard to the conducting of the liquor store, a license was granted. On motion of Councilors Mackechnie and Warren it was decided to memorialize the Commissioners asking that at least the time be extended for the current license year, and that in future the village council be given longer notice in regard to such charges, so that steps may be taken to provide in other ways for the revenue thus cut off.

The council then adjourned to meet in regular session on Monday evening next.

The license board of North Hastings met at Hotel Royal, Marmora, on Thursday last. The full board were in attendance and had a hard day's work listening to complaints from deputations and other matters.

There were some radical changes made. A deputation from Coe Hill made a strenuous "kick" against a license being granted to George Hamilton. To back up their plea they had a petition signed by about seventy per cent of the rate payers of Wollaston Township. There was also a deputation who spoke in favor of Mr. Hamilton and the board decided to give Mr. Hamilton only 3 months permit to enable him to dispose of his stock.

Rev. Mr. Bates, Methodist Minister of Bancroft, spoke against renewal of shop license to Mr. P. Rody of Bancroft. His case was a strong one. The Board decided to cut out all the shops, claiming this was the wish of the license department at Toronto. This means there will be no shops at Bancroft, Madoc, and Marmora. Three months permits were granted to allow the shopkeepers to dispose of their stocks. The Board were not satisfied with the way Mrs. Potter conducts her hotel at Millbridge and she also was given 3 months permit. In the meantime she will probably sell the property. Mr. D. Hogan, of Hogan, must remove the Post office from his hotel or else lose his license on 1st August.

Mr. Doyle of Maynooth was not considered a good hotelman and license will not be granted him.

The other licenses were granted in the usual way.

Mr. Flynn being cut off in Marmora came as a surprise to everyone. It is reported that there had been no complaints against him. He stands to lose heavily because he bought out the business only a year ago. A large number of business men are surprised to find him dealt with so summarily and the general impression is that he should have been given notice for a year. It is also reported that the license to the shop at Madoc has really been granted.

The injured man was unconscious for some time and it was feared that his back was fractured. He was promptly attended by Drs. Thomson and Crawford and removed to his home and it was later discovered that his injuries were not so serious as at first supposed.

According to latest reports, Mr. Flynn is progressing very favorably towards recovery, and we trust that he may soon be about as usual.

## OBITUARY

### WILLIAM FLYNN

Following an operation in St. Joseph's Hospital, Peterborough, from which he failed to rally William Flynn passed away early yesterday morning, after a comparatively short illness. He was a son of the late Mr. and Mrs. David Flynn, early pioneers of Marmora township and who came to Canada from Ireland. The late William Flynn was born in Marmora township seventy-seven years ago and had lived all his life in the township or village, with the exception of a short period spent in Western Canada with his elder brother James.

The deceased had a wide circle of friends who will regret his passing. As a young man he worked in the lumber camps and was a proficient river-driver, when the big drives of logs were brought down Crowe River. Later he went into business in Marmora and conducted a livery business and sold buggies and cutters and other vehicles. He also had a liquor store in the large frame building, which was destroyed by fire. His large barn and other buildings were also destroyed in the same fire, together with a large stock of new buggies and farm equipment he had on hand for sale. His losses in the fire were very heavy.

After the fire he built the brick residence now occupied by Mr. E. C. Prentice, the large steel barn and the building occupied by Mrs. Milton Campbell, which was used as a liquor store for a time. The passing of the Ontario Temperance Act closed the liquor store. The deceased then carried on a flour and feed business for a time, but later purchased what was known as the Fidler farm in Marmora township where he has since resided.

Those who knew him best will remember him for his kindness and fondness for children. In religion he was a faithful member of Sacred Heart Church. He was a life-long Liberal, but in recent years had taken no active part in politics.

The late William Flynn is survived by his wife, whose maiden name was Annie Feeney, two sons and four daughters:— Peter J., Marmora; William, at home; Mary Ann, Peterboro; Margaret, R.N., New York; Madeleine Peterboro; and Marion at home.

He is also survived by four brothers and four sisters:— James Flynn, Peterboro; Mrs. Annie O'Sullivan, Marmora; David, Calgary; Mrs. John (Catharine) McCullough, Sudbury; Mrs. Elizabeth Madden, Peterboro; Mrs. Teresa Warren, Marmora; John, Peterboro; and Edward, Oshawa.

## MRS. MARY ANN FLYNN

Still another aged resident of Marmora township passed away Tuesday Feb. 5th, in the person of Mrs. Mary Ann Flynn, widow of the late David Flynn. She had been ill for some time at the home of her son, Mr. Edward Flynn, and her death occurred at his home.

The deceased was a daughter of the late James McCallum and his wife, formerly Mary Hughes. She was born in New York state, near Rochester, but when she was a couple of years old her family moved back to Marmora township, where they had formerly resided. The late Mrs. Flynn has resided in this neighborhood ever since. She was eighty-eight years of age.

About sixty-eight years ago she was married to David Flynn, who died on April 15th, 1917. To them was born five sons and six daughters, nine of whom survive. ## OBITUARY

## DAVID FLYNN

It was with surprise and regret that the people of Marmora township and village learned last Sunday that Mr. David Flynn had passed away about six o'clock that morning. He had apparently been in good health until the Thursday before, when he started for Peterboro. While at Central Ont. Jct. he suddenly collapsed and was brought back to the home of his daughter Mrs. John McCullough. He rallied again and was around on Saturday, but that night he had another attack and passed away on Sunday morning, death being due to heart trouble.

The deceased was seventy-eight years of age and was born in Belleville. When about five years of age he came, with his parents, to Marmora township and had lived in the vicinity of Marmora ever since. He enjoyed the respect and esteem of a very large circle of friends. He was a good neighbor and his kindness, combined with a sense of humor and a ready sympathy, won the friendship of all who knew him.

Over fifty years ago Mr. Flynn was married to Mary Ann McCallum, who survives him, together with a family of six sons and five daughters. One daughter, Mrs. Bailey, died some years ago. The names of the family are as follows:—James, Deloraine, Man.; William, Marmora; Mrs. John Sullivan, town; Patrick, of Seymour; David, of Manitoba; Mrs. John McCullough, town; Mrs. A. Madden, Peterboro; Miss Susie and John, at home; Mrs. Harry Warren and Edward, of Marmora township.

The funeral took place on Tuesday and was very largely attended. Service was held in the R. C. church by Rev. Thos. Murtagh, after which the remains were interred in the R. C. cemetery.
